

Online Course Offerings

Harvard Catalyst offers in-depth courses on each of the funding mechanisms discussed in this session. Click on each course title to learn more:

[NIH Funding: Navigating the R01 & K Grant Submission Process](#)

[Funding Your Research: How to Obtain Foundation & Philanthropic Grants](#)

[Industry Funding: Application Process & Establishing Industry Relationships](#)

[Non-NIH Government Agency Funding: Grant Submission Process](#)

Locating Funding Opportunities

[Postdoctoral Funding Opportunities](#): This list, from John Hopkins University, provides 385 postdoc fellowship opportunities (w/ description, deadline, amount, eligibility, etc.).

[Grants.Gov](#): Grants.gov compiles funding opportunities from a variety of government agencies. This includes NIH opportunities, as well as opportunities from the Department of Defense, the National Science Foundation, the Centers for Disease Control and others.

[Foundation Directory Online \(FDO\)](#): This is a searchable database that contains a wealth of information on foundations and the grants they support.

[Diversity Funding Opportunities](#): This list, curated by Harvard University's Faculty of Arts and Sciences, provides a list of funding opportunities related to diversity, equity, and inclusion in research and higher education.

[Non-NIH Funding Opportunities - Grants and Fellowships](#): This list includes grants and fellowships for non-U.S. citizens.

Grant Writing Resources

[Techniques to Writing a Competitive Grant](#): This Harvard Catalyst online course is for clinical professionals seeking and applying for grant funding.

Other Resources

[Making the Right Moves: A Practical Guide to Scientific Management for Postdocs and New Faculty, Second Edition](#): Based on workshops co-sponsored by the Burroughs Wellcome Fund and HHMI, this free book is a collection of practical advice and experiences from seasoned biomedical investigators and includes chapters on laboratory leadership, getting funded, project management, and teaching and course design.

[ThinkResearch Podcast Episode: Diversifying Your Research Funding](#): Caterina Stamoulis, PhD, Boston Children's Hospital, serves as course director for the Non-NIH Government Funding Agencies course and Grant Funding for Researchers Certificate. In this episode, she discusses her personal experience obtaining funding and provides guidance for researchers.

[Networking Resource Sheet](#): As part of the Harvard Catalyst Boundary-Crossing series, the October 27, 2022 webinar *Networking Strategies to Advance Your Research Career* with speaker Ruth Gotian, EdD, MS, provided practical strategies for networking. This is the resource sheet from the session.

[NIH Early Career Reviewer \(ECR\) Program](#)
